

Trigger Interactive League

Trigger Interactive (TI) is an interactive target system that we will use to score league events. BHRPC owns and provides the system.

- Free with membership at Beacon Hill.
- Trigger Interactive match requirements and course of fire will be sent out via email to all participants each month.
- Weapon/caliber types will be dictated by the course of fire each month
- Each member gets two attempts, and their highest score will be the one recorded.
- Top league score at the end of the year **WINS a Trigger Interactive Base Pack**
- Overall league scores will be uploaded to the Beacon Hill website.
- Use Practiscore to track scores per match.
- Top 10 places get points (1st=10 points, 2nd=9 points, etc.)
